

# Tesamorelin 10mg

Lyophilised research compound — for in-vitro research use only

|                          |                             |               |               |
|--------------------------|-----------------------------|---------------|---------------|
| PRODUCT                  | BATCH                       | CAS NUMBER    | MOL. WEIGHT   |
| Tesamorelin 10mg         | UKPL-396                    | 218949-48-5   | 5195.85 g/mol |
| APPEARANCE               | STORAGE                     | ANALYSIS DATE |               |
| White lyophilised powder | -20°C, protected from light | 27/07/2026    |               |

| ANALYTICAL RESULTS     |                          |                            |        |
|------------------------|--------------------------|----------------------------|--------|
| TEST PARAMETER         | RESULT                   | SPECIFICATION              | STATUS |
| Identity               | Confirmed — Tesamorelin  | Matches reference standard | PASS   |
| Chromatographic Purity | 99.1%                    | ≥98.0%                     | PASS   |
| Appearance             | White lyophilised powder | White lyophilised powder   | PASS   |

| COMPOUND REFERENCE |                              | ANALYTICAL METHOD |              |
|--------------------|------------------------------|-------------------|--------------|
| Compound           | Tesamorelin                  | Method            | RP-HPLC (UV) |
| CAS                | 218949-48-5                  |                   |              |
| Molecular Weight   | 5195.85 g/mol                |                   |              |
| Sequence           | trans-3-hexenoyl-GHRH (1-44) |                   |              |
| Form               | Lyophilised powder           |                   |              |

Research Use Only

This product is supplied strictly for in-vitro research and laboratory use only. It is not intended for human or veterinary administration, and must not be ingested or applied to or within the body. Storage and handling are the responsibility of the end-user.
